

## SHORT TERM AND LONG TERM OPERATION AND MAINTENANCE CONTRACTS

We provide people and technology for undertaking short term (annual) and long-term operations and maintenance contracts. Entire requirement of operating staff, maintenance staff, supervisory personnel and managerial support will be provided by us. Performance parameters are guaranteed on the operation contract.

Short term (annual) and long term contracts are undertaken for maintenance activities to cover preventive maintenance services, shutdown jobs, breakdown jobs etc. with minimum downtime and minimum cost. Our people with necessary tools and tackles will be stationed at the Plant premises to attend the jobs as required by the client. Guarantees are provided on the quality of maintenance service.
